

ITT Tech Presentation at MRC

July 19, 2010

Directions and Parking

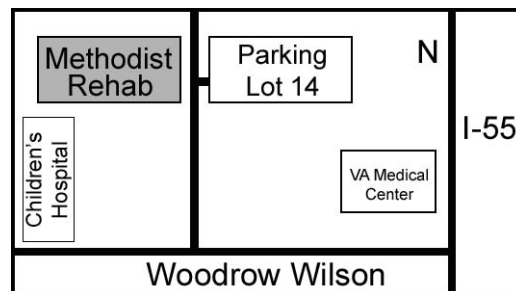

Methodist Rehabilitation Center (MRC) is located on the University of Miss. Medical Center Campus between the Sonny G. Montgomery VA and the UMC Children's Hospital.

To get to MRC: Take the Woodrow Wilson exit (#98A) off I-55; go west. Go through the first light, over the hill, Murrah High School is on the left, take a right onto Peachtree.

You will see MRC on the left; you will park in the controlled access parking lot on the right. The parking lot is card access or code access. You will enter the four digit code followed by the pound sign,

7732#

and the gate will rise. You may park in any spot that does not have a sign that designates that space as reserved.

After parking, cross over Peachtree at the crosswalk where you entered the parking lot, go up the steps leading to the MRC Entrance. In the 1st floor lobby there are four elevators. Take an elevator to the second floor. Upon exit, go to the table that has publications on it. Above the table is a directory with an arrow pointing left towards the Atrium Mall. This will be the long hallway.

Upon entering the Atrium Mall, on the right there will be a bronze statue of our founder, and just beyond that statue is the door to Conference Room A. Our meeting/lecture will be in that room.
